

## **Zach Scherer Candidate for Republican State Committee - Butler County**

**ANTI POLITICIAN**

**ANTI ESTABLISHMENT**

**ANTI ENDORSEMENT**

**PRO LIFE**

**PRO SECOND AMENDMENT**

I am Zach Scherer, and running for Republican State Committee from Donegal Township. I have decided to run for state committee because I feel the past few years, endorsements were very poorly made. I feel that within the Republican Party here locally, and across our Commonwealth we need to have open primaries. When elected as a State Committee member I will be attending every BCRC meeting, and every meeting in Harrisburg on the State Committee. I have made promises to my constituents, and I keep promises. We need to reform our republican party across this Commonwealth. We have a lot of establishment politicians who keep getting endorsed and backed by the GOP, which is wrong. All candidates deserve the same chance, and when endorsing one over another, it makes a primary election unfair, and shows bias toward a certain republican candidate (who is most likely an establishment character.)

As many of you may know, I am the President of the Butler PA Patriots, a grassroots organization striving for change in local politics. I am tired of the good ole boys club here in Butler County, and across this Commonwealth.

In closing, I hope to have your support in taking the fight to the State GOP, and working for my fellow committee members back in Butler County, and making sure their voices are heard! For those of you that I do not know, I hope to speak with you soon!

God Bless;

*Zach Scherer*
